

Needlepoint shoes are a definite winner this year. This classic look has been popular for years and here at By Paige we are proud to offer “Needlepoint Accessories with a Fresh Creative Flair”! Our needlepoint shoes are designed in house and stitched by hand. Many of our needlepoint patterns are in petit point allowing for incredible detail. We have needlepoint patterns to keep you in style throughout the year. Our customers are so satisfied with the comfort and fit they often buy several pair of needlepoint shoes at one time! For some customers, our needlepoint shoes are all they wear!

Spring is just around the corner and we have added new needlepoint slides to our line just in time for the warmer months. Choose from over 14 patterns of needlepoint slides to complement each outfit in your closet. Florida customers will really be pleased since they can wear our needlepoint sandals almost all year! Needlepoint slide patterns include bumblebees, blue crabs, leopard, zebra, and many others.

Ballet flats are everywhere you look these days but you will only find needlepoint ballet flats at By Paige! By Paige is the exclusive company offering needlepoint ballet flats. Needlepoint ballet flats are cute, stylish and a hit with the 20 to 30 year old crowd. Choose from over 12 needlepoint patterns with fun prints such as zebra, leopard and polka dots!

A classic needlepoint monogram will never go out of style. Our needlepoint monograms are very popular on our needlepoint loafers, needlepoint mules and needlepoint sandals. You can have our needlepoint shoes personalized with your monogram to wear with a variety of outfits. With 28 needlepoint thread colors to choose from you are sure to find a combination to go with every outfit! We have just added the zebra and leopard pattern to our needlepoint monogram collection due to the ever present trend in animal prints.

Looking for a special and unique baby shower gift or a little something to welcome home a new baby? Try our needlepoint baby shoes! Babies are special and we certainly do not want to leave them out of the needlepoint craze! Our needlepoint baby shoes for baby boys and girls are to die for. Needlepoint baby shoes will look adorable on the feet of any little one you know! Patterns available in our needlepoint baby shoes include palm trees, dogs, sailboats and palm trees.

Needlepoint decorative pillows add a fun and creative flair to any room. We have needlepoint pillow designs to complement any home whether it be in the city, by the coast, or in the mountains. All of our needlepoint pillow designs are exclusive to By Paige and stitched by hand. Artist Shari Erickson has joined the design team and we are so pleased with the result. Her needlepoint pillow designs are full of color with a Caribbean feel. Just looking at her needlepoint pillows will make you feel as if you've just gotten back from a day at the beach!

We will end by letting you know that lady golfers are also special fans of our needlepoint golf head covers. Mix or match 2 or 3 bright needlepoint patterns to add life to any golf bag while protecting your clubs. These needlepoint head covers are sure to be a show stopper both on and off the course. Look for our new golf themed needlepoint shoes in the coming months too.

Thank you for taking time to learn about our needlepoint shoes and decorative needlepoint accessories. We look forward to any comments you may have or suggestions for new needlepoint products! Make sure you return to our site often and sign up for our mailing list to stay updated on what is new in the world of needlepoint shoes!
